SB Civil Writ Petition No.3293/2002
Babu Khan Vs State of Rajasthan & ors
7.8.2007

Hon'ble Mr Justice Ashok Parihar

Mr SP Sharma – for petitioner
Mr JK Agrawal, Addl GA – for respondents
BY THE COURT:

Petitioner has prayed for selection/appointment to the post of Urdu Teacher Gr III in pursuance to the advertisement issued on 7.11.2000 alleging that there has been violation of reservation quota for handicapped persons.

There is no dispute that the recruitment in the present matter is to be made on district-wise basis. As per the reply filed on behalf of the respondents, there were 21 vacancies allotted to Jaipur district, however, as per roster, no post was reserved for handicapped persons. Since the petitioner did not come in the merit, he could not be given appointment. Having considered entire facts and circumstances, in view of the detailed reply filed on behalf of the respondents, since the whole selection process has already been over long back on roster basis, no further interference is called for by this court under writ jurisdiction. The writ petition is dismissed accordingly as having no merit.
